

ARISE & SHINE

# St. Vincent Pallotti College of Engineering and Technology

Gavsi Manapur, Wardha Road, Nagpur - 441108

## TECHNEX'19

**Appathon**

# APPATHON

*“CODE OVERNIGHT  
TO DEVELOP IT RIGHT”*

## APP! WHAT?

Appathon is basically an overnight app development event. A theme or specific problem statement will be given to the team members that team need to target. It's a free environment. You can literally code whatever you want to.

The ground rule for a appathon is that everything should be built from scratch at the venue itself.

### **Is it a team event?**

Predominantly, it is a team event. The team size is limited to 4 individuals. Interdisciplinary undergraduate students can participate in this event.

## RULES

The ground rule for a appathon is that everything should be built from scratch at the venue itself.

The team leader has to present and explain the app to the judges.

According to the points given by the judges the winner will be decided.

### **Eligibility**

The Appathon is open to registered participants over the age of 18 years perusing bachelors, masters or any equivalent course.

### **Team Formation**

Teams should comprise of a minimum of three people and a maximum of four, including a leader. The team leader is responsible for team contact and representation.
